

Volunteers on Rocky Creek © 2006

# volunteer with us

Each year, countless members of our community **volunteer** to help the Land Trust protect our cherished forests and wetlands.

Volunteers help keep these areas healthy by planting trees, picking up trash, and caring for wildlife. They also **help us connect** to these beautiful places by building trails and hosting events where our children can come and learn about the natural world.

Volunteering with the Land Trust is both **fun** and **easy**. Families, children, scout troops, soldiers, and seniors are all part of our volunteer network.

You too can **make a difference** that will last for generations to come. Learn about the exciting projects in your area by e-mailing us at: **info@csrlt.org**.

Ours is a region of spectacular, graceful beauty. Together, we can make sure it stays that way, **forever**.

*...preserving our natural landscape for the generations*
